## WESTERN DISTRICT SCHOLARSHIP 2017

June 1, 2017

Dear Western District Lodge Officers,

It has been my honor and privilege to be the 2016-2017 Western District Scholarship Chairman. The scholarship guidelines, information, and applications were distributed to all chapters. They were also posted on the Western District website.

By May 15, 2017, the submission deadline, eight (8) completed applications were received. They were reviewed and evaluated by three professional/non-Arcadians: Margie Stewart (retired administrative officer of the Department of Family & Preventive Medicine, University of Utah); Jeanne Lakowski (retired secondary English teacher, Granite School District, Salt Lake City); and Sara Johnson (Ph.D. graduate student, Bioengineering, University of Utah). The reviewers concluded that all eight applicants have stellar records and accomplishments; the reviewers rendered a ranked list of applicants; therefore, it has been determined that the top three (3) ranked applicants will be awarded \$2,000 each. This final report is duly presented to the Western District Lodge Officers:

1. Panayiota Good--will be attending University of Oregon; Journalism; San Jose Chapter
2. Katerina Paulos—will continue her undergraduate studies at the University of Utah; Business/Entrepreneurship & Marketing; Salt Lake City Chapter
3. Ashley D. Katis-Baker—will continue her undergraduate studies at the University of Utah; Communications; Salt Lake City Chapter

The efforts of the chapters to promote the scholarship program are appreciated. It is very rewarding to have such worthy candidates applying for our Western District Scholarship.

Karen Anastasopoulos  
Scholarship Committee Chairman
